# 2nd NECMO CONFERENCE

MALAYSIAN CARDIOTHORACIC ANAESTHESIOLOGY  
AND PERFUSION SOCIETY

*"ECMO: Breakthroughs, Best Practices and Beyond"*

2nd - 4th OCTOBER 2025  
Le MERIDIEN PUTRAJAYA

co-organised with

CARDIOTHORACIC ANAESTHESIOLOGY & PERFUSION  
HOSPITAL SULTAN IDRIS SHAH

endorsed by

MALAYSIAN SOCIETY OF ANAESTHESIOLOGISTS  
COLLEGE OF ANAESTHESIOLOGISTS, AMM

# WELCOME SPEECH

***President  
Malaysian Cardiothoracic Anaesthesiology & Perfusion Society (MASCAP)***

Dear Colleagues,

It is with great enthusiasm that we welcome you to the 2nd NECMO Conference: Breakthroughs and Beyond, to be held from October 2–4, 2025, at Le Meridien Hotel.

This year's conference is dedicated to those at the heart of ECMO care — cardiac anaesthesiologists, perfusionists, intensive care nurses, intensivists, and the entire multidisciplinary team whose expertise and dedication make life-saving interventions possible every day.

Building on the success of our inaugural event, the 2025 edition will delve deeper into the evolving landscape of ECMO through advanced clinical practices, team-based simulations, real-world case discussions, and the latest innovations in technology and patient management.

This is more than a conference — it's a platform to connect, learn, and collaborate across disciplines. Whether you're at the bedside, in the OR, or behind the circuits, your role is essential — and this program is designed with you in mind.

We look forward to seeing you in October as we push the boundaries of what's possible in ECMO, together.

Warm regards,

***Dato Dr Jahizah Hassan  
President  
Malaysian Cardiothoracic Anaesthesiology  
& Perfusion Society***

## ***Organizing Chairman***

Assalamualaikum wbt and warm greetings. With great honour and immense pride, I welcome you to the 2nd National Extracorporeal Membrane Oxygenation (NECMO) Conference.

As we know, the successful organization of the 1st NECMO in 2023 has marked a significant milestone in the landscape of critical care in Malaysia. The conference was met with overwhelming participation, positive feedback, and strong multidisciplinary engagement, clearly reflecting the growing interest and commitment towards advancing ECMO practices in our healthcare system. That momentum has brought us here today, to the 2nd NECMO, which we believe will become a catalyst for even greater transformation.

This year, we take a bold step forward. While continuing to highlight the crucial roles of physicians and other stakeholders, the 2nd NECMO shines a spotlight on a vital yet often underappreciated pillar of ECMO team — our nurses & Perfusionists. They are the heartbeat of ECMO management & care, and their knowledge, vigilance, and clinical judgement are indispensable. This conference aims to strengthen their presence, empower their voice, and elevate their role within the ECMO team.

At its core, the NECMO series is not merely about lectures or presentations — it is about building a vision. A vision to advancing ECMO services in Malaysia, making them more accessible, efficient, and aligned with international standards. We aspire to see Malaysia's ECMO capabilities evolve into a highly coordinated, technology-driven, and evidence-based service, one that rivals leading ECMO centers globally.

On behalf of the Malaysian Society of Cardiothoracic Anesthesiology & Perfusion (MASCAP), I would like to extend my deepest appreciation to the Scientific Committee, led by Dr Hasmizy and our local Organizing committee for their best efforts and dedication in making this 2<sup>nd</sup> NECMO a total success. Tremendous gratitude also to Ministry of Health (MOH) Malaysia and medical industry for the unwavering support given to MASCAP in organizing this noble prestigious conference

May this conference inspire you, challenge your perspectives, and ignite meaningful conversations. Let this be more than just an event — let it be a movement.

Thank you, and I wish all of you a fruitful, engaging, and memorable experience at the 2nd NECMO.

***Dato' Dr Norly Binti Ismail***

***Organizing Chairman***

***2nd National Extracorporeal Membrane Oxygenation Conference***

## ***Scientific Chairman***

The warmest welcome to all delegates attending the 2<sup>nd</sup> National Extracorporeal Membrane Oxygenation Conference 2025 from 2<sup>nd</sup> to 4<sup>th</sup> October 2025 at Le Meridien Putrajaya. It is a great pleasure to have the Malaysian Cardiothoracic Anaesthesiology and Perfusion Society (MASCAP) host this event for the second time.

Our theme for this year, "ECMO: Breakthroughs, Best Practices and Beyond," is more than just a title; it is our guiding principle. It reflects our commitment to not only mastering the current standards of care but also to embracing the future of this life-saving technology. We will explore the latest breakthroughs that are reshaping the field, consolidate our understanding of best practices to ensure optimal patient outcomes, and dare to look beyond the horizon at the future possibilities that lie ahead.

Over the next three days, you will be immersed in a comprehensive scientific program meticulously crafted for doctors, perfusionists and nurses. We are proud to feature six plenaries, 15 symposia, two dedicated lunch symposia, and workshops providing a wide array of topics and perspectives. The knowledge and expertise you will gain are invaluable, and the opportunities for networking with fellow colleagues and experts will be transformative.

Our success is driven by the calibre of our speakers. We are privileged to have eight distinguished overseas speakers joining us, bringing their global insights and experiences. They will be complemented by 26 of our own leading local experts, whose dedication and contributions have been instrumental in advancing ECMO care here in Malaysia.

I would like to extend my heartfelt thanks to the organizing committee, our generous sponsors and finally the Ministry of Health Malaysia for their unwavering support. To all the delegates, I encourage you to participate actively, engage in lively discussions, and forge new professional relationships. Let us seize this opportunity to learn from one another, challenge our assumptions, and collectively push the boundaries of what is possible in ECMO.

Thank you once again for your presence. We look forward seeing you at the event.

Thank you.

***Dr Hasmizy Muhammad***  
***Scientific Chairman***

**REGISTRATION**

0830 - 0900

**PLENARY 4** | Chairperson: Norly Ismail  
**Ethics in Extracorporeal Life Support** - Ariffin Marzuki Mokhtar

0900 - 1015

## **SYMPOSIUM 7 : CARDIAC**

Chairperson: Mohamad Haffiz Che Morad /  
Kamilah Muhammad Hafidz

- **ECMO for Circulatory Support**  
Hasmizy Muhammad
- **VA ECMO Maintenance and Weaning**  
Lee Kok Tong
- **Frontline ED Experience in ECMO Resuscitation**  
Alhaldy Alfian Yusof

0900 - 1015

## **SYMPOSIUM 8 : CRITICAL CARE II**

Chairperson:  
Haslan Ghazali / Nazri Mohamed

- **Daily Assessments for ECMO Patients**  
Nbal Mohammed Shpat
- **Fluid Management in ECMO Patients**  
Norhayati Anuar
- **Ventilation On VV ECMO: How I do it?**  
Thomas Muller

0900 - 1015

## **SYMPOSIUM 9 : MONITORING**

Chairperson:  
Mohd Khairul Anwar A. Rahim / Syafiq Sofiyen

- **Monitoring of the ECMO Device**  
Ng Yew Ewe
- **Neurological Monitoring and Management for ECMO Patients**  
Khairunnadiyah Kamaruzaman
- **Hemodynamic Monitoring in VA ECMO Patients**  
Jusmidar Abdul Jamil

Question and Answers Session

1015 - 1045

**TEA & TRADE EXHIBITION**

1045 - 1115

**PLENARY 5** | Chairperson: Nordini Mohamed Dani  
**ECPR in Refractory Cardiac Arrest? Pros and Cons** - Thomas Muller

1115 - 1230

## **SYMPOSIUM 10 LUNGS**

Azmiza Maharani / Rosaidaremanja Sukri

- **ECMO for Respiratory Support**  
Mohd Khairul Anwar A. Rahim
- **VV ECMO Maintenance and Weaning**

# POSTER / ORAL PRESENTATION

The Scientific Committee invites would like to invite delegates to submit their abstracts for oral or poster presentation. Abstracts can either be in the form of a research article or case report.

***Deadline for Abstract Submission is 15<sup>th</sup> September 2025.***

## ***Rules for Abstract Submission***

1. Abstracts are to be submitted in English.
2. You must obtain the relevant consents and approvals before submitting the abstract.
3. Authors must adhere to the format provided on the website.
4. Abstracts will only be considered for awards and prizes if they have not previously been presented at a scientific meeting or published in a journal.
5. Abstracts must be accompanied by the payment of registration fees.
6. Notification of acceptance will be sent by 15<sup>th</sup> September 2025.
7. The final selection will be under the responsibility of the Scientific Committee.

## ***Prizes***

### **1. Best Research Oral or Poster Presentation**

1 <sup>st</sup> Prize	RM 1,000
2 <sup>nd</sup> Prize	RM 750
3 <sup>rd</sup> Prize	RM 500

### **2. Case Report**

1 <sup>st</sup> Prize	RM 750
2 <sup>nd</sup> Prize	RM 500
3 <sup>rd</sup> Prize	RM 250

## CASE REPORT

**Please overtype Paper Title here (Title Case (i.e. each word starts with a capital letter), Times New Roman size 12 font, bold, left aligned)**

Please overtype Authors here (Times New Roman size 10 font, First Name, Surname, Presenting Author to be bold, Affiliations numbered in superscript) e.g.

**Hasmizy M<sup>1</sup>, Hanafi S<sup>2</sup>, Siti Baiduri B<sup>2</sup>**

*Please overtype Affiliations here (Times New Roman, size 10 font Italics, Affiliation, Suburb/ Town, Country) e.g.*

<sup>1</sup> *Pusat Jantung Sarawak, Malaysia*

<sup>2</sup> *Hospital Umum Sarawak, Malaysia*

Abstract text here:

Times New Roman font

Size 12

Left aligned

Maximum 300 words

Single line spacing

Abstracts should include:

- A statement of the introduction of the case.
- Case description.
- A statement of learning point.
- A statement of the conclusions reached.

**Do not insert photographs. Please do not resize this box. Abstracts will not be reviewed if the word count exceeds 300.**

You may type over these instructions.

# RESEARCH / STUDY

**Please overtype Paper Title here (Title Case (i.e. each word starts with a capital letter), Times New Roman size 12 font, bold, left aligned)**
