# PROGRAMME

20 May 2023 (Day 1)

| Time (GMT +8) | Agenda  |
|---------------|---|
| 0800 - 0820   | <b>Registration</b>   |
| 0820 - 0830   | Welcome Remarks   |
| 0830 - 0905   | <b>Plenary 1: The Evolution of Patient Safety in Anaesthesia, Its Future Direction and an Introduction to the Anaesthesia Patient Safety Foundation</b><br><i>Daniel J. Cole MD</i> |
| 0905 - 0915   | Q & A   |
| 0915 - 0950   | <b>Plenary 2: Promoting the Culture of Anaesthetic Critical Incidents Reporting: Impact on Safety Culture and Patient Safety</b><br><i>Jeffrey Cooper PhD</i>                       |
| 0950 - 1000   | Q & A   |
| 1000 - 1030   | <b>Break</b>  |
| 1030 - 1230   | <b>Symposium 1</b>  |
| 1030 - 1055   | <b>Reducing Medication Errors in Operating Room: The Best Practices</b><br><i>Elizabeth Rebello MD, FASA, CPPS</i>  |
| 1055 - 1120   | <b>Revisiting Perioperative Blood Transfusion Errors</b><br><i>Stephen Frank MD</i>   |
| 1120 - 1145   | <b>Perioperative Deterioration: Early Recognition, Rapid Intervention and the End of Failure to Rescue</b><br><i>Steven Greenberg MD, FCCP, FCCM</i>                                |
| 1145 - 1210   | <b>Perioperative Deterioration: Learning from the Anesthesia Closed Claims Project and Registries</b><br><i>Karen B. Domino MD</i>  |
| 1210 - 1230   | Q & A   |
| 1230 - 1315   | <b>Sponsored Symposium 1</b>  |
| 1315 - 1400   | <b>Break</b>  |
| 1400 - 1600   | <b>Symposium 2</b>  |
| 1400 - 1425   | <b>Implications of Emerging Infectious Diseases on Anaesthesia Professionals and Patient Safety</b><br><i>Samuel Tsan MD, M.Anaes, FCAI</i>   |
| 1425 - 1450   | <b>Mitigating the Risks of Health Care Associated Infections: The Role of Anaesthesia Professionals</b><br><i>Christina Ratto MD</i>  |
| 1450 - 1515   | <b>The Impact of Perioperative Hypotension on Patient Safety</b><br><i>Hasmizy Muhammad MD, MMed (Anaesthesiology), MBA</i>   |
| 1515 - 1540   | <b>Postoperative Residual Neuromuscular Blockade: A Continuing Patient Safety Issue</b><br><i>Tomoki Sasakawa MD</i>  |
| 1540 - 1600   | Q & A   |
| 1600          | <b>End of Day 1</b>   |

Programme is updated as of 11 October 2022.

The Organising Committee may, in its discretion, amend any part of the programme without prior notice.

# PROGRAMME

21 May 2023 (Day 2)

| Time (GMT +8) | Agenda  |
|---------------|---|
| 0830 - 0905   | <b>Plenary 3: Blind spot in patient safety - Safety II</b><br><i>Della Lin MS, MD, FASA</i>   |
| 0905 - 0915   | Q&A   |
| 0915 - 0950   | <b>Plenary 4: Creating Institutional Champions in Anaesthesia Patient Safety: Who, When and How?</b><br><i>Marzida Mansor MD, M.Anaes, FAMM, FAMS</i>             |
| 0950 - 1000   | Q&A   |
| 1000 - 1030   | <b>Break</b>  |
| 1030 - 1230   | <b>Symposium 3</b>  |
| 1030 - 1055   | <b>Speaking Up Across Hierarchical Gradients: Overcoming the Barriers</b><br><i>May Pian-Smith MD, MS</i>   |
| 1055 - 1110   | <b>The Ever-Changing Landscape of Non-Operating Room Anaesthesia: How to Overcome Potential Challenges in Ensuring Patient Safety?</b><br><i>Richard Urman MD</i> |
| 1110 -1125    | <b>Safety Challenges of Office Based Anaesthesia Delivery</b><br><i>Fred Shapiro DO</i>   |
| 1125 - 1150   | <b>Effective Perioperative Handovers: Getting Them Right</b><br><i>Meghan Lane-Fall MD</i>  |
| 1150 - 1215   | <b>Augmented Intelligence in Anaesthesia and Patient Safety: The Promise and Perils</b><br><i>Ariffin M. Mokhtar MD, M.Med (Anaes)</i>                            |
| 1215 - 1230   | Q & A   |
| 1230 - 1315   | <b>Sponsored Symposium 2</b>  |
| 1315 - 1400   | <b>Break</b>  |
| 1400 - 1600   | <b>Symposium 4</b>  |
| 1400 - 1425   | <b>Advancing Patient Safety Through Simulation Training in Anaesthesia</b><br><i>Noorjahan Haneem Md Hashim MBBS, M.Anaes, MSc (MedEd)</i>                        |
| 1425 - 1450   | <b>Supporting Second Victims in Patient Safety Incidents: Have We Done Enough?</b><br><i>Daniel Arnal MD</i>  |
| 1450 - 1515   | <b>Open Disclosure After a Patient Safety Incident: Why and How?</b><br><i>Yong Chow Yen MD, FRCA, M.Med (Anaes)</i>  |
| 1515 - 1540   | <b>Building A Well-Being Infrastructure in Your Institution: An Organisational Approach</b><br><i>Chan Yoo Kuen MBBS (UM), FFARCS (Ireland)</i>                   |
| 1540 - 1600   | Q & A   |
| 1600          | <b>Adjourn</b>  |

Programme is updated as of 11 October 2022.

The Organising Committee may, in its discretion, amend any part of the programme without prior notice.
